PRESS RELEASE

No: 646/2014

Date: 26th November 2014

BRITISH SCIENCE MUSEUM RETURNS TO GIBRALTAR

The Department of Education and the Kusuma Trust Gibraltar are proud to announce that members of the prestigious British Science Museum are once again visiting Gibraltar to conduct a series of experiments throughout the week at the Ince's Hall for the benefit of school children. This is their fifth visit to Gibraltar.

The experiments to be carried out will enhance the work done by pupils in Science throughout our schools at Key Stages 1 and 3 of the National Curriculum and have been carefully selected for this purpose.

Notes to Editors:

More information about Wednesday's show is available at:
