A 47" television has been presented to the Dr Giraldi Home by Jessica Bonfante, who used to work at the Home. The television has now been installed in one of the flats at Dr Giraldi.

Jessica was the organiser of a successful Bridal Competition held at the Alameda Open Air Theatre.

Samantha Sacramento, Minister for Equality, Social Services & the Elderly said "I would like to thank Jessica for this kind donation that will bring residents a great deal of enjoyment. It is gratifying that individuals in the community so generously contribute to the service."
