## OFFICIAL NOTICE

### **Sundial Roundabout – Excavation to Repair Collapsed Sewer Pipe**

In order for the Infrastructure Section of the Technical Services Department to carry out essential repair works to a collapsed sewer pipe in the area of the Sundial Roundabout, the following works will be carried out in stages over the next 4 weekends as detailed below:

Stage 1 - As from 8:00am to 11:00pm on Saturday 6 June and Sunday 7 June 2015, enabling and alteration works will be carried out to the layout of the roundabout to improve traffic circulation around the works area;

Stage 2 – As from 8:00am Saturday 13 June 2015 until no later than 6:00am on Tuesday 16 June 2015, excavation works will be carried out to repair the damaged sewer pipe on a continuous 24 hour rotational basis;

Stage 3 - As from 8:00am to 11:00pm on Saturday 20 June and Sunday 21 June 2015 works will be carried out to reinstate alterations made to the roundabout;

Stage 4 - As from 8:00am to 11:00pm on Saturday 27 June and Sunday 28 June 2015 replanting works will be carried out on the sundial roundabout.

Please note works have been structured accordingly to minimise the impact to normal traffic flows in this traffic sensitive area. Temporary advance road works signs will be placed accordingly on the approach to the works.

The Government would like to apologise to the public for any inconvenience caused.
