

HM Government of Gibraltar

6 CONVENT PLACE

OFFICIAL NOTICE

AquaGib - Laying of New Water Mains along Europa Road

In order to allow AquaGib to undertake excavation works to lay a new water mains supply to the south district along Europa Road, the following traffic arrangements will be put in place. As from 8:00am on Monday 23 March 2015; for a period not exceeding 3 weeks, Europa Road from the northern end of the Ocean Views building to its junction by the access road to Harley Street tunnel, will be controlled with temporary traffic lights. Works will be phased out and undertaken in stages with temporary advance road works signs placed on approach to the works accordingly.

The Government would like to apologise to the public for any inconvenience caused.
