### **Spring 'Eggstravaganza' at Governor's Meadow First School**

Governor's Meadow First School and Nursery held a Spring 'Eggstravaganza' on Tuesday 24<sup>th</sup> March which saw the school community come together for an afternoon of creative arts and delicious treats!

Over two hundred pupils contributed to a spectacular display of decorated eggs which were on show in the school hall during the event for all to enjoy.

The school was overwhelmed and thankful for the tremendous response from parents and carers in baking for the cake sale. There was a vast array of delicious baked treats that made the Spring 'Eggstravaganza' such a huge success.

Governor's Meadow is holding a number of fun events throughout the year as a school community to support worthy causes and raise money for the GBC Open Day.

The school would like to thank parents and carers, pupils and staff for their continuing support and enthusiasm in these fundraising initiatives.
