The Gibraltar Sports & Leisure Authority Launches Playground Hotline

Following the success of the Parks and Playgrounds Maintenance Programme, the Minister for Sports the Hon Steven Linares is pleased to announce that the Gibraltar Sports and Leisure Authority (GSLA) has set up a playgrounds hotline, through which the public may report faults or offer suggestions for improvements to facilities. Signs have been placed in all of the areas under the GSLA'S remit, displaying contact information for the hotline. Specifically, should an issue be identified users should ring:

20070985/58008911 during weekdays (Office Hours) or alternatively email: playgrounds@gsa.gi.

Should the matter be an emergency requiring immediate attention during evenings and weekends the general public are advised to contact 20045430/58008897.

The Minister is delighted with the progress that the new maintenance crew is making:

"This is just another step in improving the service offered and I thank the general public for working with the GSLA to ensure that families can enjoy a safe and welcoming environment."
