No. 243/2015

Date: 21st April 2015

Results of ETB Bullying Investigation Expected May 2015

HM Government of Gibraltar can confirm that the internal investigation into allegations of bullying at the ETB is in its final stages and the results are expected to be available to it by mid-May 2015.

The Government takes this opportunity to remind the Opposition that this is an independent inquiry, commissioned by the Chief Minister, to be conducted by the Civil Service. As such, there has been no Ministerial or political involvement in this inquiry whatsoever, and the Opposition's allegations against the Government in their latest press release reveal a severe misunderstanding on their part of how such investigations are undertaken. As a result, any criticism levelled by the Opposition is of the civil servants who are pursuing their work on this matter with all due diligence and expedition.

The Government reminds the Opposition that, however public the issue has been made by others, this is an internal investigation that is personal to a Civil Servant and any measures to be taken as a result are to be taken outside the public domain, as stipulated by established procedures.
