

PRESS RELEASE

No. 342/2015

Date: 27th May 2015

Balban announces that the 2015 Association of European Vehicle and Driver Registration Authorities (E-Reg) Annual conference will be hosted in Gibraltar

As part of Government's initiative to strengthen existing connections between all European Authorities and to make them more comprehensive, effective and generally useful, Government is pleased to announce that the 2015 E-Reg Annual Conference will be hosted in Gibraltar.

E-Reg is a European cooperation made up of all the European Registration Authorities dealing with subjects concerning registration and documentation of vehicles and drivers. The main objective of E-Reg is to bring together all the European Registration Authorities to be able to share knowledge, experience and good practices and also identify, follow and influence European developments and Regulations.

The Minister for Transport, Traffic & Technical Services, Paul Balban, who is responsible for Traffic and Transport in Gibraltar welcomes this initiative and said:

"I am proud to announce that from 3 to 5 June 2015 the E-Reg General Meeting & Annual Conference will take place in Gibraltar. Government is positive that holding this conference here, will further strengthen existing liaison procedures between all European Authorities and Gibraltar making this beneficial not only to the Driver and Vehicle Licensing Department but for Gibraltar as a whole."
