Sustainable Traffic, Transport and Parking Plan – New Request Bus Stop at Queensway Quay

As a result of feedback received following the launch of the Draft Sustainable Traffic, Transport and Parking Plan, HM Government of Gibraltar is pleased to announce the placing of a Request Bus Stop in Queensway. The Request Bus Stop will be situated southward by the Queensway Quay residential estate.

The introduction of a Request Bus Stop follows on from the many representations of residents of the area and users of the Queensway Quay Marina. HM Government of Gibraltar aims to enhance the Public Transport network at this particular location.

The Minister for Transport, Traffic and Technical Services, The Hon Paul Balban, said:

“We believe this Request Bus Stop will complement public transport users of the area of Queensway Quay positively. At present the closest bus stops are those by King’s Wharf and Elliot’s Way.”
