Luce Foundation 2015

A group young people aged 12 to 14 went on a 5 day residential trip to Zahara de La Sierra with the Gibraltar Youth Service. The Luce Foundation annual trip has been running for over 12 years and is growing from strength to strength. The programme has encouraged a multi-agency approach and is supported by the Youth Service, the Department of Education and the Royal Gibraltar Police.

The 5 day residential was packed with outdoor educational activities enhancing endurance and resilience levels. Some activities included horse riding, a suspended obstacle course, cycling, archery, night time activities and gorge walking, these provided opportunities and experiences which are limited in Gibraltar.

For further or general information about the Gibraltar Youth Service please contact Mark Zammit, Principle Youth Officer on gibyouth@gibtelecom.net or call 20078637.
