

PRESS RELEASE

No. 436/2015

Date: 23rd June 2015

Reintroduction of Traffic Light System

HM Government of Gibraltar is pleased to announce it will reintroduce the traffic light system at Sir Herbert Miles Road. This year the southern traffic light has been placed to the south of the narrow stretch of road leading to Brian Navarro Way in order to improve traffic circulation in the area. Additionally, HM Government of Gibraltar is pleased to announce that the bus service to the area will also be improved as the larger buses will now be able to travel to the area of Both Worlds and turn around at the new turning area created along Brian Navarro Way. This will result in an improved service to bus users in the area.

The traffic lights will be operational daily between the hours of 7.00am and 10.00pm as from this coming Wednesday 24 June 2015. During the times that the traffic lights are operational, parking will be permitted along the eastern side of the road as demarcated by traffic signs. Outside these times parking will not be permitted.
