Date: 6th August 2015

Bid for 2019 Island Games

The international Island Games Association is looking for a new host island for the 2019 Island Games.

The Gibraltar Island Games Association, following an extensive consultation with Government, intends on submitting a bid for these games with the support of HM Government of Gibraltar.

GIGA have commenced preliminary consultations and are currently in discussion with sports that could potentially form part of the 2019 programme.
