

## PRESS RELEASE

No. 581/2015

Date: 21st August 2015

---

### **Temporary parking at Mid-Town during Gibraltar Fair and National Week**

As part of the arrangements for this year's Gibraltar Fair and National Week, 250 free parking spaces are being made available to the public from today at the MidTown Development on a temporary basis.

The public are kindly reminded that these are temporary parking facilities being made available to meet the increased demand for parking that Gibraltar always experiences during the Fair and National Week, whilst construction works at the site continue. In light of this, both the Gibraltar Fire Service and the contractor running the MidTown Development site have been consulted and all safety precautions as specified by them have been fully complied with.

The Minister for Transport, the Hon Paul Balban, said: 'I am very pleased that we are able to provide these 250 parking spaces at the centre of town, free of charge. This will maximise the public's access to, and enjoyment of, the fantastic Gibraltar Fair and National Week celebrations.'
