Deputy Chief Minister

## PRESS RELEASE

No. 583/2015

Date: 24th August 2015

### **Traineeships at the European Parliament**

Every year, the European Parliament offers paid and unpaid traineeships which enable young people to learn more about the work of the Parliament and to familiarise themselves with its activities.

Traineeships are targeted at university graduates and students. They range from a general to specialised ones involving journalism and translation, although those that involve payment are only open to graduates.

The traineeships start twice a year, in March and October and last for 5 months. Applications for March 2016 are now open.

The scheme has nothing to do with the Government, but it was nonetheless considered important to give the opportunity some publicity locally because there could be young people in Gibraltar who may be interested in applying.
