CHIEF MINISTER THANKS MRS ELLUL-HAMMOND

The Chief Minister, the Hon Fabian Picardo QC MP, in his capacity as Leader of the House in Parliament, has today thanked Mrs Isobel Ellul-Hammond for her service as a Member of Parliament since December 2011.

Mr Picardo said: "Although we have been on opposite sides in Parliament I have enjoyed a good working relationship with Isobel throughout her time as an MP. I thank her on behalf of the whole House and the People of Gibraltar for her service in Parliament and look forward to her continued contribution to the Community in the area of cancer care which is so close to her heart. Isobel has a lot to give in this area and the GHA and Gibraltar will no doubt greatly benefit as a result of her future endeavours.
