Youth Clubs Clean Up the World

Members and youth workers from all four youth clubs were involved in the Clean up the World Day last weekend.

The young people spent the morning cleaning their designated areas and were very grateful for having been given the opportunity of participating in this annual community event.

The youth service is now looking forward to their next day trip planned for Saturday 17th October to "*Isla Magica*" in Seville.

For more information please contact Mark Zammit, Principal Youth Officer on 20078637.
