PRESS RELEASE

No. 695/2015

Date: 6th October 2015

Gibraltar Museum at the Universidad de Granada

Professor Clive Finlayson, Director of the Gibraltar Museum was invited to give the inaugural lecture at the Masters Course on the Conservation, Management and Restoration of Biodiversity at the University of Granada. The lecture was given in the Faculty of Sciences at the University of Granada.

Professor Finlayson's lecture entitled "Neanderthals, Woolly Mammoths and Gannets: on the impact of the glaciations in the Mediterranean world" was attended by Masters students attending the course and by a wide range of members of the teaching staff.
