Gibraltar Finance attended and exhibited at the FERMA Risk Management Forum 2015 held at the Venice Lido, Venice, Italy from 4 to 7 October. This biennial event was attended by over 2,000 risk professionals from around the world and is Europe's largest exhibition of service providers of risk management and insurance services for risk managers.

Gibraltar Finance was represented by Michael Ashton, Senior Executive, joined by Maite Mir-Parody and Nyoka Catania from the logistics and marketing team at Gibraltar Finance.

The Hon Albert Isola, Minister with responsibility for Financial Services stated: "Gibraltar Finance attended the FERMA Forum in 2013 and I am pleased that we are maintaining our marketing strategy to strengthen relationships with these core risk management professionals. We continually strive to find new and innovative products and services for owners and users of captives and protected cell companies (PCCs). We are particularly keen to enhance and widen the appeal and use of PCCs and have in recent months been working closely with the local insurance sector and the Gibraltar's financial services regulator, the FSC, to develop these initiatives."
