### GDA at the World Cup in Turkey

The Minister for Sport, the Hon Steven Linares sends his best wishes to the Gibraltar Darts Association representatives participating in the WDF World Cup being held in Turkey.

Minister Linares said: "Yesterday Gibraltar participated in the Team Event and although results have not gone their way they did push their opponents to very tight score lines in two of their matches. Attention will now turn to the Pairs and Singles events where the expectation is that results reflect the high quality of the Gibraltarian contingent."
