Youth Service hosts Halloween Party at the Laguna Youth Club

For the fourth year running young people from the Gibraltar Youth Service hosted a Halloween Party at the Laguna Youth Club. The event was a sell out with over 150 people attending from both Laguna and Glacis Estates.

Young people took ownership of the event and put their creative talents to good use by designing the art décor in the club using recycling products collected at Clean up the World Day.

The Youth Service DJ's took full responsibility of the music, whilst other members took charge of the catering and collecting of tickets at the door.

The evening was a huge success and demonstrated what a community event is about. The Gibraltar Youth Service would like to thank everyone for supporting the event including the Neighbourhood Policing Unit.

All proceeds made from the event will be shared amongst two charities, GBC and Action 4 Schools.
