

PRESS RELEASE

No.817/2015

Date: 4th November 2015

Miss Gibraltar 2015 and GYPT Youth Group join forces for Cancer Relief.

Hannah Bado, Miss Gibraltar 2015 joined forces with the Gibraltar Youth Production team (GYPT) and organised a family portrait fundraiser event in aid of Cancer Relief, Gibraltar. The event saw over 50 families being photographed and raising £1,940.00 towards Hannah's fundraising efforts for a very worthy cause.

The weekend was a particularly poignant and emotional affair for Hannah for the recent passing away of a loved one.

Hannah is no stranger to youth clubs, having in her teens attended various creative projects delivered at the Youth Centre.

When exploring the possibilities of a fundraiser with the GYPT leader, she was excited about this collaboration and what it could offer (to the charity, to those having their portraits taken, as well as the young people involved in the delivery of the project).
