### **Gibraltar Fire and Rescue Service 150<sup>th</sup> Anniversary Gala Dinner**

The Gibraltar Fire and Rescue Service will be holding a gala dinner at Grand Battery House on Friday 20<sup>th</sup> November 2015.

This event will commemorate the inception of a fire service in Gibraltar on the 20<sup>th</sup> November 1865 and is the final event organised throughout 2015 to mark this important milestone. The occasion will gather past and present fire service members and will also be attended by the Chief Minister, Mr Fabian Picardo, and Minister for the Fire and Rescue Service, Mr Gilbert Licudi, as well as other distinguished guests.

The Moorish Castle (Tower Of Homage) will be lit up in red and will display the Gibraltar Fire and Rescue Service emblem to mark this historical landmark in our history.
