

Deputy Chief Minister

## PRESS RELEASE

No. 887/2015

Date: 1st December 2015

---

### **Applications for Scholarships - College of Europe**

Once again, Her Majesty's Government of Gibraltar is pleased to invite applications for scholarships from suitably qualified candidates to study at the College of Europe during the 2016/2017 academic year. The College of Europe, with campuses in Bruges (Belgium) and Natolin (Poland), is one of the most prestigious European universities, offering postgraduate courses in European legal, economic or political studies. Many graduates from the College of Europe go on to work in the institutions of the European Union.

The ideal candidates will hold a university degree (with the equivalent of upper second class Honours or higher) focusing on one of the above-mentioned subjects. Candidates who are also able to demonstrate strength in languages, especially French, will have an added advantage.

Students completing their undergraduate studies in 2016 are also invited to apply.

Applications with CV, academic transcript and a covering letter in an envelope marked "*Application - College of Europe Scholarship*" should be delivered to the Office of the Deputy Chief Minister at No.6 Convent Place or should alternatively be sent by email to [euoffice@gibraltar.gov.gi](mailto:euoffice@gibraltar.gov.gi) to arrive by midday on Wednesday 16 December 2015.

Further information on the College of Europe can be sought from its website: <https://www.coleurope.eu>
