### **Minister Licudi Meets Bayside Students in London**

The Minister for Education, the Hon Gilbert Licudi QC, met at Gibraltar House in London with a group of A level students from Bayside. The students were in London as part of a History studies trip which is organised by the school each year.

The students have visited museums and did a tour of the Houses of Parliament. They were briefed on the role and work of Gibraltar House.

Minister Licudi chatted with the students about their trip, their studies and the courses they will be seeking to undertake at University.
