**Dolphin's Youth Club Valentine's Day around town**

After a busy week of making preparations, members of the Dolphin's Youth Club went out on to the streets on Valentine's Day handing out heart shaped lollipops, balloons as well as positive and encouraging messages on paper hearts to the general public. People also had the opportunity of having their picture taken with their "big heart."

The idea was inspired by Sia's musical video "You're never fully dressed without a smile" in which young people go out to remind people of the importance of smiling and being happy.

The event on Saturday provided the youngsters with a great opportunity to explore the use of language, emotions and the chance to give something back to the community in the form of encouragement.
