PRESS RELEASE

No: 22/2015

Date: 16th January 2015

OPPOSITION ARE CLEARLY UNAWARE OF COMPLETION DATES

Clearly the Opposition are living on a different planet. Why does their latest Press Release suggest that various government projects 'have either not started or still have a long way to go before completion?

Quite simply, the International Bank is scheduled for completion in the next couple of months whilst St Bernard's School and the small boats marina are scheduled to be open by September. The Traffic Plan is finished and currently being discussed in Cabinet.

So it would seem that, in the absence of accuracy and facts, the Opposition are again reduced to their tactic of throwing abuse in the hope that some of it might stick.
