and Technical Services

PRESS RELEASE

No. 289/2015

Date: 8th May 2015

Main Street – Filling of Paving Joints

HM Government of Gibraltar is pleased to announce, in keeping with its manifesto commitments that it will commence a programme to fill in the spaces between paving blocks along Main Street as from Monday 11 May 2015. The first phase should take around 5 weeks to complete and working hours will be from 7:00pm to 11:00pm Mondays to Fridays, Saturdays as from 4:00pm to 11:00pm and Sunday as from 9:00am to 11:00pm. The works will involve the filling of the paving block joints in order to prevent accidents that have not been uncommon especially for ladies wearing heels.

The Minister for Transport, Traffic and Technical Services, The Hon Paul Balban, said:

“It gives me great satisfaction to announce the commencement of this paving repair programme as part of our Governments continued commitments following extensive trials over the past two years. The works will ensure the spaces between the paving blocks are adequately filled to prevent accidents.”
