Gibraltar Finance at BIBA 2015 Conference

Gibraltar Finance will be exhibiting at the British Insurance Brokers' Association (BIBA) annual conference and exhibition at Manchester Central, the award winning convention centre, this week. The BIBA conference is Europe's largest insurance gathering and is attended by thousands of insurance professionals.

Michael Ashton, Senior Executive, will be accompanied by Gibraltar Finance colleagues Maite Mir-Parody and Nyoka Catania. Representatives of the Gibraltar Insurance Association, and other Gibraltar insurance professionals will also be attending BIBA 2015.

The Hon Albert Isola, Minister with responsibility for Financial Services stated "The insurance industry is a core part of Gibraltar's economy and continues to expand and diversify. The investment that Gibraltar Finance and our local insurance partners have made in recent years has raised Gibraltar's international profile as can be seen with the recent ILS transaction, which had extensive international press coverage. BIBA is an important part of our marketing and I welcome the industry's continued support and participation."
