Date: 15th April 2016

Care Agency Supports the Family Fun Day

The Drug & Alcohol Rehabilitation & Awareness services of the Care Agency are supporting the Fun Day, jointly organised with the Royal Gibraltar Police in aid of the Stay Clean charity. The Care Agency welcomes the work of this charity, which aims to raise awareness on all issues related to drug misuse as well as providing support for those suffering from the consequences of all forms of addictions.

Since the launch of Stay Clean, the Care Agency, together with the RGP, has worked closely with it in order to help its members achieve their objectives. At Saturday's event in Casemates, the Care Agency will host a drugs awareness stall where the public will be able to learn more about the wider issues related to drugs and to speak to members of our rehabilitation team.

The Chief Minister, the Hon Fabian Picardo QC said, "The Government is happy to support Stay Clean and all organisations that provide support to addicts and their families. It is important to create awareness of the dangers of addiction and to support those suffering because of it. I want to thank members of the RGP and the Care Agency for helping to organise today's Family Fun Day and for the less obvious assistance they continue to provide to this worthwhile charity."
