

PRESS RELEASE

No. 229/2016

Date: 12th May 2016

Collective Managment of Copyright

Her Majesty's Government of Gibraltar, in consultation with the Gibraltar Regulatory Authority, has published legislation transposing the requirements of Directive 2014/26/EU on the collective management of copyright, and would like to hear from any Collective Management Organisations or Independent Management Entities established in Gibraltar.

The legislation implements standards in the operation of collective management organisations and independent management entities and introduces a framework for the supply of multi-territorial licences for online musical works.

Collective Management Organisations or Independent Management Entities established in Gibraltar should therefore contact the Gibraltar Regulatory Authority, on telephone number 200 74636.
