Minister Congratulates Stagno

The Minister for Sport, the Hon. Steven Linares, wishes to congratulate local hockey umpire Nathan Stagno on being shortlisted for International Hockey Federation (FIH) Umpire of the Year.

Minister Linares said: "Nathan had a very good end to 2015 and has started 2016 in similar fashion. Being on a shortlist of three for such an award in an International Federation of such prestige as the FIH once again speaks volumes of his hard work and dedication. He has been a leading light for local hockey for a long time and this recognition is just another in a long line of well-deserved accolades."
