Retrospective Exhibition: Art Exhibition Showcasing Three Royal Academicians

A major art exhibition is being organised by Gibraltar Cultural Services, on behalf of the Ministry of Culture. This exhibition, entitled 'Lines and Colours – The Royal Academicians' will showcase the works of Royal Academicians: Anne Desmet, Barbara Rae and Ann Christopher.

These three renowned international artists have ties with Gibraltar, having been in the past adjudicators for the Gibraltar International Art Exhibition. Their collective art varies in style and their artworks have all been exhibited in museums and art galleries worldwide. Among the exhibits will be memorabilia of their time in Gibraltar for the aforementioned international competition as well as artworks in various mediums, including mixed media on paper, carborundum prints, wood engravings, etchings and bronze sculptures. This will be an exclusive opportunity for the local community to see this collection of works in a unique exhibition.

The Exhibition will be held at the Gustavo Bacarisas Gallery from Wednesday 22nd June to Friday 15th July 2016.
