

HM Government  
of Gibraltar

---

## PRESS RELEASE

No: 31/2016

Date: 26th January 2016

---

### **HMGoG Supports Gibraltar Hockey Association**

Her Majesty's Government of Gibraltar notes the clarification of the European Hockey Federation in respect of the ban on sporting contact between Gibraltarian and Spanish clubs. The Government fully and entirely supports the Gibraltar Hockey Association in such actions as it deems appropriate to undo this clear and unacceptable discrimination against our hockey community.

Once again Spain mixes politics with sport in a most inappropriate manner.
