

## PRESS RELEASE

No: 32/2016

Date: 26th January 2016

### **Allocation of Berths at Mid Harbour has not yet commenced**

The Gibraltar Port Authority (GPA) has been made aware of a letter circulating on social media claiming to be from the GPA, notifying individual members of the public of the allocation of berths at the new Mid Harbour Marina. These are false documents and are to be discarded.

The allocation of berths has not yet commenced. The start of the process will be announced through normal Government media channels over the coming weeks.
