Minister Congratulates local rowers on success at British Junior Rowing Championships

Following their Silver medal success at the British Rowing Championships (Juniors) the Minister for Sport, the Hon. Steven Linares has congratulated Jake Moreno and Jack Prior on their achievement.

“It was very gratifying to receive news of Jake and Jack’s performance and result in Nottingham last weekend. They came through an extremely strong field and pulled off an excellent result in the J16 double sculls event. This is an achievement that cannot be underestimated. Year on year the results obtained by local rowers at this event keep getting better and better and it is a reflection of the hard work and dedication that both the oarsmen/women and the coaches invest in their sport. A special mention must also be made of all other team members from Calpe Rowing Club who participated and also put in sterling performances. Well done to all!”
