Dolphins Youth Club Residential Weekend 29th – 31st January

Young people from Dolphins Youth Club spent an amazing weekend at the Europa Retreat Centre as part of their commitment to informal education. The theme for the weekend was gender stereotypes and the programme focused on challenging individual and cultural prejudices. Young people had the opportunity to participate in a range of activities including cooking, a quiz, a walk up the Rock, team building games and a story board. The Gibraltar Youth Service would like to thank ChildLine for their participation on Saturday. Overall it was a fun and thought provoking weekend leading to a greater understanding of the word "gender".
