Tickets for Gibunco Gibraltar International Literary Festival now on sale

Tickets for the 2016 edition of the Gibunco Gibraltar International Literary Festival are now on sale. Tickets are currently available online at the festival website www.gibraltarliteraryfestival.com and at www.buytickets.gi. The box office at the Garrison Library will open nearer the date of the festival.

Minister for Tourism, the Hon Samantha Sacramento MP, said: 'This fourth edition of the Gibraltar International Literary Festival is set to be the best to date, with a diverse range of renowned authors and speakers, and I am delighted that we are now able to offer advance online ticket sales. In line with our events-led tourism strategy this will greatly assist the Festival's huge prospective international audience, allowing Gibraltar to nurture and develop this niche area of our tourist product. Locals wishing to plan their Festival in advance will also benefit from this service.'
