The questions to ask Snr Margallo in the Campo de Gibraltar: what is the real price of saying 'No' to Joint Sovereignty?

The Chief Minister, the Hon Fabian Picardo QC MP, has written an article entitled 'The Price of NO', which will appear on www.publico.es today. Its publication coincides with the visit of the Spanish Caretaker Foreign Minister, José Manuel García-Margallo, to the Campo area.

The Chief Minister has declined an invitation to attend a lunch and discussion at which Snr Margallo will be the guest speaker.

The Chief Minister's article is attached in both Spanish and English.
