NEW LETTER BOX INSTALLED AT LIGHTHOUSE AREA IN COMMEMORATION OF GORHAM'S CAVE COMPLEX

The Royal Gibraltar Post Office (RGPO) has installed an Elizabeth II, lamp, pedestal-mounted letter box in the lighthouse area near the "Welcome to Europa Point" sign, in commemoration of the Gorham's Cave Complex into the UNESCO World Heritage List.

Minister with responsibility for Postal Services, the Hon Neil F Costa MP said: "Post Office surveys have indicated the need for a letter box to cater for the increased number of visitors, and the postcards that they will likely generate, now that postcards and stamps are available at the Europa Point Express outlet. The inscribing of Gorham's Cave Complex into the UNESCO World Heritage List will undoubtedly further enhance the number of visitors to the area. Further, in order to commemorate this incredible achievement for Gibraltar, a plaque to this effect has been added to the letter box".
