### Night Bus Service

The Ministry for Infrastructure and Planning would like to remind members of the public that the Night Bus service is still operational on Friday and Saturday nights from 21:00 to 02:00.

The Night Bus will be available throughout December so members of the public can make use of the service as an alternative mode of transport during the festive period. The Night Bus will operate on Friday and Saturday on the 23<sup>rd</sup>, 24<sup>th</sup>, 30<sup>th</sup> and 31<sup>st</sup> December.

The general public are therefore invited to take up on the excellent public transport alternative in keeping with the RGP's drinking and driving awareness campaign whilst celebrating during these festive dates.

The Minister for Infrastructure and Planning, the Hon Paul Balban, said: "It is important that bus users are aware there are alternatives to having to drive themselves or walk to social gatherings, in particular over the festive and New Year season."
