6 CONVENT PLACE

OFFICIAL NOTICE

Bayside Road –Erection of a Canopy Bridge Scaffolding over Main Road in conjunction with Ocean Spa Plaza Development

In order to undertake works to erect a scaffolding canopy structure over the main road at Bayside Road as part of the ongoing Ocean Spa Plaza development works, the following traffic arrangements will be put in place;

As from 10.00pm on Monday 27 March 2017, and for a period not exceeding 8 hours over 2 consecutive days, Bayside Road from its junction at the Glacis Estate entrance, will be closed off to all vehicular traffic. Access to the Marinas, World Trade Centre and Sports Centre will remain at all times as the section of Bayside Road from the entrance to Glacis Estate to the Marinas will be converted into a two-way traffic flow system controlled by operatives using a stop and go hand signals operation.

Temporary diversion and road works signs will be placed accordingly on approach to the works.

The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause to them.
