6 CONVENT PLACE

OFFICIAL NOTICE

Removal of Motor Vehicles from Catalan Bay Car Park

In order to allow a contractor to undertake essential cleaning throughout all parking areas at Catalan Bay Car Park ahead of the Easter Break, parking restrictions signs were placed by the RGP on Friday 31st March 2017 prohibiting parking as from Wednesday 5th April 2017 at 09:00, until further notice.

HM GoG would therefore like to remind vehicle owners that all vehicles must be removed from such car parking areas by the above captioned date.

The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause.
