Mid-term fun with the Gibraltar Youth Service

The Gibraltar Youth Service and its members have kept busy with events over the mid-term break.

Members of the community enjoyed Laguna Youth Club's annual Halloween party, with club members spending over 4 weeks preparing for the event, creating props and transforming the club into a spooky atmosphere. The event was a great success with over 200 people in attending.

The week culminated with an interclub trip to Tangier, Morocco where participants visited Dar El Hana, a locally supported Cheshire Home. The group spent time with residents, played games and widened their understanding of disabilities.

The trip was the result of weeks of preparation and included a tour of Tangier, visiting popular tourist attractions, the local markets, camel riding and food tasting.

Other events during the week included scary movie sessions, arts & crafts and a walk up the rock.

The Gibraltar Youth Service would like to thank the businesses and organisations that contributed to the success of the mid-term activities; including those who donated items for members to take to Dar El Hana.
