GIBRALTAR, 30th March 2017:

The next wave has landed – 6 more acts added to the MTV Presents Gibraltar Calling line-up!

A few months may stand between now and this year's festival at the Victoria Stadium in Gibraltar, but it's never too early to start getting excited about the stellar line-up we have in store for you across the weekend of the 2nd-3rd September 2017!

It's time for the next reveal of acts playing our Main & Classic stages >>>

The Main Stage is already studded with musical legends and current chart-toppers alike, with Fatboy Slim, Craig David, Clean Bandit and Steve Aoki transforming the stadium into a bumping, sun-fuelled celebration to remember.

Joining the party on the Main Stage are sizzling pop starlet Charli XCX, quirky Electro festival favourites Years & Years and kicking through with anthemic indie, The Vaccines.

Our Classic Stage line-up is unapologetically throwing us back to times gone by in a spectacular fashion, with the likes of the Village People (it doesn't get more nostalgic than the YMCA!), Bananarama and Midge Ure gracing the stage.

If the sing-a-long factor wasn't already strong enough, we're throwing Black Box and Go West into the mix, with Glen Matlock's (of Sex Pistols fame) Allstar Band delivering a healthy dose of Punk. 70's/80/90's fans - get ready to reminisce to some true classics!

And that's not all! We have many more acts yet to be announced – check our [Facebook](#),
