PRESS RELEASE

No: 288/2017

Date: 8th May 2017

GSD'S RECORD ON SEWAGE WAS RUBBISH

The GSD say it is 'shameful' for this Government not to have awarded a sewage treatment contract after 6 years so how would they describe their complete lack of action on this subject throughout 16 years in power?

After taking advice from experts and a great deal of planning, the Government repeats its intention to award the relevant contract later this year.
