The Minister for Culture, the Hon Steven Linares MP, would like to congratulate local artist Maribel Mathews for being selected by the Agora Gallery in New York to form part of a group of three artists to showcase their work at a forthcoming exhibition entitled “Unbound Perspectives”.

Minister Linares said: “Maribel is a hugely talented artist. Her skills and perseverance during so many years has helped her progress and gain success as an artist in the local art scene. This experience will aid her in further development and will give her the opportunity to have her work recognised internationally.

Maribel now joins the list of so many local individuals and associations in promoting Gibraltar at an international level. This is another example of pure Gibraltar Art export. Congratulations!”
