No. 399/2017

Date: 21st June 2017

Wheelchairs on Buses

HM Government of Gibraltar, a government that has done so much for people with disabilities, is surprised and disappointed to hear the Disability Society's accusation that 'the Ministry for Transport has removed signs from the local buses regarding the space for wheelchair users.' Quite simply, the signs for wheelchair users have not been removed from the buses as the accompanying photographs (taken yesterday) make clear.

The Bus Company has been working closely with the Ministry for Equality to ensure that all relevant legal obligations have been met.
