Two Local Men Arrested By HM Customs and RGP Marine Section

Following a high speed chase yesterday, HM Customs and RGP Marine Sections arrested two local men and seized one Spanish registered semi-rigid inflatable vessel.

The chase took place around midday when the vessel was seen travelling on the east side within British Gibraltar Territorial Waters. A chase by HM Customs and RGP ended just off Rosia Bay Battery with two local men, both aged 26, being arrested for operating and importing a prohibited import and then being released on police bail.

This incident again highlights the importance of good cooperation amongst local law-enforcement agencies.
