### **Minister Bossano to speak at annual seminar of the Third Decade for the Eradication of Colonialism**

Minister Sir Joe Bossano leaves today, Monday, for Grenada, together with the Director for Economic Development Dr Ron Coram to participate in the annual seminar of the Third Decade for the Eradication of Colonialism. Joe Bossano has participated in the discussions in previous seminars in the First, Second and Third Decades.

He will make a presentation that builds on the one delivered last year in St Vincent and the Grenadines and contain arguments that refute the Spanish presentation that Gibraltar should be decolonised by being handed over to Spain.

Minister Bossano will return to Gibraltar next Sunday.
