## **HM Customs Arrest a Sixty-Seven Year Old Man on Drug Related Offences**

HM Customs FAS Team officers have arrested a 67 year-old man and seized approximately two kilos of cannabis resin at the Ferry Terminal.

The arrest took place last night when the recently commissioned drugs dog gave a positive indication on one of the passengers disembarking from the Tangier Ferry. The man, a Spanish national, was accompanied into a search room where a body search carried out on his person revealed a total of twenty slabs of cannabis resin strapped to his body.

He was subsequently arrested and charged for possession, importation and possession with intent to supply 2014.7 grams of cannabis resin and will be appearing before the Magistrates Court this morning.
